

TO CODA UK
From Ken and Mary

November 13, 2019

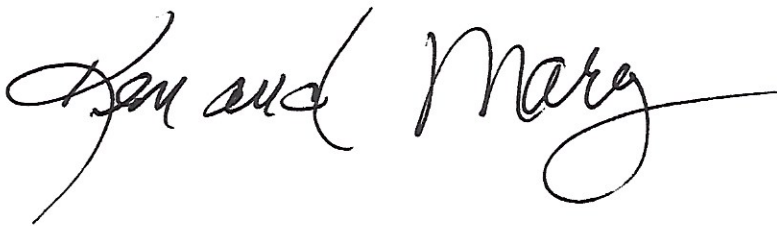

We wanted to write and thank you the Workshop Committee, volunteers and the entire UK CoDA Community for the opportunity and the honor to be a part of presenting the workshops in London and Liverpool. We truly appreciate all the commitments, time, efforts and energy that all of you put forth to make the workshops a great success.

You all were so gracious in working with us during our time of need with our son's passing in March. We were to visit in May and had needed to move the date to October. The committee worked tirelessly in securing the new venues for London and Liverpool, arranged for travel between the two and greeted us and spent time with us with such a loving hospitality and loving hearts.

The sharing during and after the workshops touched our hearts and inspired us. We truly appreciate, as well, the amount of work that consistently went on behind the scenes. You all are just great. The Workshop Committee and the Volunteers showed such sensitivity to the needs of the many attendees. We saw this over and over. Thank you for all that you have done and blessings you all are to CoDA.

Words cannot describe what this trip has meant to us. Our appreciation and gratitude that we have felt is filled with love for you all. Without the heart filled service that you do, we would not of had this tremendous opportunity to be with you all. Thank you all so very much.

With Love, Hugs and the Spirit of Recovery,
