

NSC Agenda Request from GSR, Rep from Region or Committee member

Date of meeting: 20/3/21

GSR/Rep/Committee member: Alison - Secretary

Vote Required (If N is selected, this item is just for discussion to share the Experience, Strength and Hope of the NSC.): Y/N YES

Exact proposal for NSC consideration (2 sentences ideally):

Agenda items discussed at the NSC are limited to the following categories:

1. Business issues which require a solution. e.g. literature contract is up for renewal, the literature secretary presents the T & C's for the new contract for approval?
2. Initiatives which promote CoDA unity and support carrying the message to other co-dependents which still suffer. e.g. budget for a CoDA helpline
3. Issues which would benefit from the experience, strength and hope of the meeting attendees. e.g. A GSR has a problem at their group with behaviour of a member, have the NSC attendees got any experience which could contribute to the next conscience meeting when the issue is discussed ?

GSR's / committee members making proposals for agenda items would need to consider which category their proposal falls into, so that a balanced agenda can be planned to cover all kinds of CoDA business.

Supporting background information to be circulated prior to the meeting (please include links to online documents or indicate that there are attachments to be circulated with the agenda):

The NSC meetings have become increasingly well attended since they moved on line with more people taking up service positions due to lockdown. This increased service has led to issues with managing the agenda due to the sheer volume of items being put forward for discussion.
