Exact proposal for NSC consideration (2 sentences ideally):

That we continue to meet online on 7th August and 6th November from 1-5pm (and for any extra meetings called in between), and review this at the November meeting.

Supporting background information to be circulated prior to the meeting (please include links to online documents or indicate that there are attachments to be circulated with the agenda):

We voted in December to hold the February and May meetings online from 1-5pm, then revisit once we know about returning to in person meetings. The government's roadmap suggests that indoor venues may be open to groups larger than 30 from 21st June but this won't be confirmed till much nearer the time. It's also difficult to predict if the rules will change again due to a third wave of the virus.

The use of Zoom has perhaps enabled more members to attend NSC meetings so this also needs to be discussed when considering a move back to in person meetings.
