4a Sponsorship Report May 2023

The Sponsorship Committee consists of myself and Suzanne only at present, (as the other members have stood down). This is only until a new sponsorship rep takes over.

Please could the position be advertised as needing to be filled.

We had planned to have a Sponsorship Workshop on April 15th but due to lack of availability of service, it had to be cancelled.

We sent out an email asking for people to do service at the next workshop and we received support from two fellows so far. So Suzanne and I hope to hold another workshop on Sunday 16th July with their support.

Also Frank has said he would be willing to help host the workshop. As we need technical support mainly, we will be sending out another email asking for people with IT skills to do service.

We continue to answer sponsorship request emails and give support on the sponsorship page but ideally this would be our last workshop.

As the USA is now holding an (annual?) workshop, maybe it could be handed over to them.

This would be a shame, as Frank has worked so hard over the years developing, editing and fine tuning the script, with all the necessary links and information to implement it.

And this is available online for anyone to use.

4b. Member Networks/CoDA Outreach Groups

Topics to be covered in the update:

- 1) the Mixed outreach group
- 2) Safeguarding issues encountered in AA and ACA, so that CoDA can learn from their experience
- 3) a proposal that Comms consider responses in terms of crosstalk and CoDA principles – in response to a communication sent out a few months ago which led to the resignation of the then admin team of Coda Outreach Mixed group [exact proposal to be raised in AOB as being submitted after the closing date for the meeting business]
- 4) a desire for clarification of the status of Fellowship whatsapp groups that continue to call themselves Coda contrary to the advice given by <https://coda.org/wp-content/uploads/CoDA-GUIDELINES-FOR-ANONYMITY-IN-SOCIAL-MEDIA.pdf> especially where Fellowship groups state that Fellowship groups do not have to follow Coda principles.

Rochelle S, NSC Treasurer. Report date: 1st May 2023

8a GSR/Rep/Committee member: Kate F, Public Information (PI) Committee

Proposal: Offer CoDA conference endorsed literature packs to members looking to start new CoDA meetings (to be decided if only for in person meetings or online ones as well), to build awareness of CoDA within the community.

The process might offer an opportunity for the PI/Comms/GSRs group to welcome members looking to take on service, whilst building PI outreach across regions.

Packs to be distributed would include key CoDA conference endorsed leaflets.

Covered within the CoDA UK PI budget as this facet of meeting action (covers PI, outreach).

Records to be captured and shared with NSC committee, treasurer, meetings secretary in hopes of ensure PI are aware of members starting meetings, and funds are distributed as evenly over the UK as feasible.

The piece would benefit from engagement across teams (treasurer, meetings secretary etc).

Also, sits within vicinity of a proposal to "support new groups with expenses & literature for INSIDE of meetings". I'm not sure if this project is moving yet?
