

February 2025

Subject: CoDA UK Public Liability Insurance Renewal (2025-26)

Dear CoDA Members

CoDA UK has been providing Public Liability Insurance (PLI) for in-person groups in the UK for several years, and at no charge (conditions below) to in-person, online groups, and retreats since 2023. We are renewing coverage for the third year with Markel Direct. The new policy runs from 1st March 2025 – 28th February 2026 under Markel International Insurance Company Limited. <https://www.markeluk.com/>

Cover includes:

- professional indemnity and trustees' liability insurance
- public liability and employers' liability insurance
- fidelity insurance
- money and personal assault

Renewal & New Applications (Conditions)

If your group was insured last year, please contact the NSC Treasurer with any updates to your details by 27th February 2025 to maintain coverage.

New groups must apply by 27th February 2025 by emailing the details below.

 To be covered or to renew, please ask your group GSR or representative to send an email to: NSCtreasurer@codauk.org with the following details:

1. Group name (as listed on the CoDA UK website)
2. Meeting day(s)
3. Group contact's name & email
4. Group contact's mobile number
5. Meeting venue address

Coverage is automatic for groups whose venue requires insurance - no minimum contribution is required.

You will receive all necessary documents **by email**, including the insurance certificate for your meeting provider.

Optional donation

£10 maximum contribution is suggested but NOT REQUIRED. If donating, please label payments "PLI + [group name]" and email the treasurer for bank details. PayPal is accepted.

GDPR notice: Personal data, including email addresses and telephone numbers, is processed in compliance with UK GDPR. This information will only be shared with insurers in the event of a claim and only with the explicit consent of the insured group contact.

Groups may opt-in at any time during the year - however, coverage begins only once details are received, and cannot be backdated.

I look forward to hearing from you.

in service

Treasurer, CoDA UK NSC
