

# NSC Inventory Meeting 15<sup>th</sup> November 2024 – Agenda/Format

1.00pm Welcome. Open meeting with a moment of silence.

Readings: 12 Traditions, 12 Service Concepts, Guidelines For Sharing.

Reminder: Availability of 30 second time-out followed by the Serenity Prayer

## Introduction

In 2024 it was decided that the National Service Committee will take its inventory annually. Out of several options the chosen format was: [Twelve Traditions - CoDA.org](https://www.coda.org.uk/twelve-traditions), CoDA GUIDELINES FOR FOLLOWING THE TWELVE TRADITIONS IN SERVICE WORK. Over three meetings from June 2024 to February 2025, sharing took place on all twelve Traditions.

An attempt was made at the first meeting to record and write up the sharing, but this proved to be questionable and impractical, so these inventory meetings are not recorded or minuted. You may wish to make your own notes in case you feel anything needs following up afterwards.

We are now starting the next cycle of inventory taking. Before sharing on each Tradition we will read that Tradition, the short summary, and the Guideline questions. Sharing will be invited on **your** experience of the work and activity of the National Service Committee, such as:

- Attending the meetings,
- What the NSC does and how it works,
- Being a trusted servant participating at the NSC,
- Communications and any interaction with the NSC, etc.

Shares are not timed, and neither are the sections on each Tradition, apart from the approximate suggestions of 26 minutes each (below). Completing them will take as long as it takes, but we will finish just before 3pm.

Whilst you are invited to share your experience freely, please be mindful of the time – it will be helpful if members' shares are reasonably concise.
